#### 4. FEES AND PAYMENT.

- 4.1 License fees and, if applicable, fees for Support Services, are due and payable under the terms of this section 4.
- 4.2 Any Order Form, purchase order or other document Licensee has transmitted shall not alter nor prevail over the terms of this Agreement, unless and until Acceptance of an Order Form or an authorized distributor. Unless otherwise agreed, all payments must be made in US dollars. If ISK or its authorized distributors have the legal obligation to pay or advance any taxes on Licensee's behalf (e.g. withholding taxes), then the appropriate amount shall be invoiced to and paid by Licensee. All invoices for the Licensed Software, and, if applicable, Support Services, will be delivered to Licensee or sent via e-mail, at ISK's or its authorized distributors' discretion.
- 4.3 Promptly after or at the time of Acceptance of an Order Form specifying an Instance Perpetual License, Standard OEM License or Instance Subscription License, ISK shall provide Licensee with an invoice for license fees and, if applicable, fees for Support Services, payable by Licensee. If an Accepted Order Form sets forth a payment schedule for the license fees and/or Support Services, then ISK shall invoice Licensee in accordance with such payment schedule.
- 4.4 For any Volume Subscription License, ISK shall provide Licensee with an invoice for license fees payable by Licensee as follows:
  - 4.4.1 Regardless of the License Term for any Volume Subscription License, ISK or its authorized distributors shall invoice Licensee an advance on license fees up-front for each 12-month period on the basis the quantity of PDF Files Processed during the previous 12-month period. With regard to the initial 12-month period, the advance on license fees will be determined on the basis of the estimate provided by Licensee to ISK or its authorized distributors in the Order Form. After the initial 12-month period and for such period thereafter during the License Term, ISK will evaluate the actual number of Processed PDF Files. If the number of Processed PDF Files in the initial 12-month period is more than 5% greater than the number set forth in the estimate, ISK shall invoice, and Licensee shall pay, additional license fees based on the actual number of Processed PDF Files during the applicable 12-month period.
  - 4.4.2 If Licensee has a Volume Subscription License and uses a Software release prior to iText Core 7.1.0, within 15 days after the end of each 12-month period, Licensee shall deliver to ISK a listing, as of the first day of said period the quantity of PDF Files Processed during such 12-month period.   - 4.4.3 If Licensee has a Volume Subscription License and uses a Software release of iText Core 7.1.0 or an Update or Upgrade thereto, ISK may collect usage data by including code within the Software that generates and sends to ISK automated volume counts regarding only the quantity of PDF Files Processed under such Volume Subscription License. In such case, automated usage reports will not include any other information, such as content-related data or any personally identifiable information. Licensee shall not disable or otherwise block such automated volume counts (e.g., lack of internet connection, firewalls).
- 4.5 Unless mutually agreed in writing otherwise or unless the invoice includes different payment terms, Licensee shall pay all invoices within 30 calendar days following the invoice date. Unless mutually agreed otherwise, license fees and fees for Support Services are not refundable or subject to offset. ISK or its authorized distributors may assess interest on any late payment at the rate of 1% compound interest per month or the highest rate allowed by law, whichever is lower. In addition, Licensee will reimburse ISK for its cost of collections for late payments, including reasonable attorneys' fees.
- 4.6 Any order placed by Licensee by Order Form is non-cancellable upon Acceptance.

#### 5. SUPPORT SERVICES; UPDATES AND UPGRADES.

- 5.1 Terms and conditions applying with regard to Support Services are available via (<https://itextpdf.com/en/resources/media/files/support-and-maintenance-agreement-americas>). Licensee confirms that it has read and accepts such terms and conditions.

- 5.2 License fees paid for an Instance Subscription License or for a Volume Subscription License include Support Services during the applicable License Term.
- 5.3 License fees payable for an Instance Perpetual License and Standard OEM License do not include Support Services. During the initial 12-month period of an Instance Perpetual License and a Standard OEM License, Support Services are mandatory, and ISK shall invoice Licensee fees for such Support Services as set forth in Section 4 above. After the initial 12-month period, subject to Acceptance, Licensee may elect to continue Support Services by submitting an Order Form specifying applicable Support Services fees, provided that there has been no interruption in Support Services.
- 5.4 During the applicable License Term, regardless of whether or not Licensee is entitled to Support Services, ISK shall, when and if they become available, provide or make Updates available to Licensee at no additional cost.
- 5.5 During the applicable License Term, if Licensee is entitled to Support Services, ISK shall, when and if they become available, provide or make Upgrades available to Licensee at no additional cost so long as Licensee accepts any additional or separate applicable terms and conditions that ISK requests of its then-current licensees. For the avoidance of doubt, Licensee may review and, if required, propose changes to any such additional or separate terms, and ISK shall consider any Licensee-proposed changes in good faith.

## **6. WARRANTIES, DISCLAIMERS AND LIMITATION OF LIABILITY.**

### **6.1 WARRANTIES AND REPRESENTATIONS.**

- 6.1.1 Each party represents and warrants to the other party that (a) the execution, delivery and performance of this Agreement is within its powers and has been duly authorized by all necessary action by Licensee or ISK, as the case may be, and (b) that the execution, delivery and performance of this Agreement will not violate any agreement to which Licensee or ISK are, as the case may be, bound.
- 6.1.2 ISK warrants to Licensee that as of the date of Acceptance, unless otherwise communicated to Licensee in writing, (a) there are no pending third party claims related to the Licensed Software and (b) to its knowledge, none are threatened.
- 6.1.3 ISK warrants to Licensee that the Licensed Software and any Updates and Upgrades, as delivered by ISK, do not and will not include any viruses or other malicious code.

6.2 **DISCLAIMER OF WARRANTY.** ISK ONLY PROVIDES THE WARRANTIES EXPLICITLY SET FORTH IN THIS AGREEMENT. ISK DISCLAIMS ANY IMPLIED WARRANTIES OF NON-INTERFERENCE, NON-INFRINGEMENT, TITLE, ACCURACY, MERCHANTABILITY, QUALITY, SYSTEM INTEGRATION OR FITNESS FOR A PARTICULAR PURPOSE. EXCEPT AS SET FORTH IN SECTIONS 6.1.2 AND 6.1.3 ABOVE, THE SOFTWARE, ADD-ONS, UPDATES, UPGRADES AND SUPPORT SERVICES ARE PROVIDED "AS IS" AND "WITH ALL FAULTS". WARRANTIES THAT ARE GIVEN ARE SOLELY FOR LICENSEE'S BENEFIT AND NOT FOR THE BENEFIT OF ANY THIRD PARTY.

6.3 **LIMITATION OF LIABILITY.** EXCEPT TO THE EXTENT PROHIBITED BY LAW, AND EXCEPT FOR FRAUD, GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OR ANY BREACH OF SECTION 9 (CONFIDENTIALITY), NEITHER PARTY IS LIABLE UNDER THIS AGREEMENT FOR LOST REVENUES, LOST PROFITS, LOSS OF BUSINESS, LOSS OF DATA, OR ANY INCIDENTAL, INDIRECT, EXEMPLARY, CONSEQUENTIAL, SPECIAL OR PUNITIVE DAMAGES OF ANY KIND, INCLUDING SUCH DAMAGES ARISING FROM ANY BREACH OF THIS AGREEMENT OR ANY TERMINATION OF CONTRACT, TORT OR OTHERWISE AND WHETHER OR NOT FORESEEABLE, EVEN IF SUCH PARTY HAS BEEN ADVISED OR WAS AWARE OF THE POSSIBILITY OF SUCH LOSS OR DAMAGES. EXCEPT TO THE EXTENT PROHIBITED BY LAW, AND EXCEPT FOR FRAUD, GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, OR ANY BREACH OF SECTION 9 (CONFIDENTIALITY), OR IN THE CASE OF ISK, DEFENSE AND INDEMNIFICATION OBLIGATIONS UNDER SECTION 7, NEITHER PARTY'S AGGREGATE LIABILITY IN CONNECTION WITH THIS AGREEMENT SHALL, UNDER NO CIRCUMSTANCES, EXCEED THE FEES PAID OR PAYABLE UNDER THIS AGREEMENT TO ISK.

## **7. INDEMNIFICATION.**

- 7.1.1 ISK shall defend any claim, suit or proceeding brought against Licensee, its directors, management and employees, and pay any damages or amounts agreed to in settlement,

where such claim, suit or proceeding is based upon the allegation that Licensee's use of the Licensed Software as permitted under this Agreement infringes a third party's intellectual property or proprietary right ("Claim") but only to the extent that the Claim is directly based upon the use of the Licensed Software as provided by ISK (for example not on Licensee's changes). The obligations set forth in this Section 7 are expressly conditioned on Licensee providing ISK with (a) prompt notice of a Claim (but only to the extent ISK is prejudiced by failure to provide prompt notice); (b) sole control of the defense and settlement of such Claim, including the selection of counsel; and (c) such assistance and cooperation, at ISK's cost, as ISK may reasonably request in connection with the defense and settlement of the Claim. Licensee may, at its cost, retain separate counsel and participate in the defense or settlement negotiations. ISK may settle any Claim under any terms it deems acceptable provided that any such settlement does not create any liability on Licensee's behalf without having obtained its prior written consent.

- 7.1.2 If the Licensed Software or its use becomes the subject of a Claim or its use is enjoined, or if in the opinion of ISK the Licensed Software is likely to become the subject of a Claim, ISK shall attempt to resolve the Claim through litigation or by using commercially reasonable efforts to modify the Licensed Software or to obtain a license to continue using the Licensed Software. If ISK provides Licensee with a modified version of the Licensed Software with substantially similar functionality, Licensee must install such modified version within 30 days of ISK making such modified version available or release ISK from its obligations with respect to Licensee's continued use of the unmodified version. If in the opinion of ISK, the Claim, the injunction or potential Claim cannot be resolved through reasonable modification or licensing, ISK, at its own discretion, may terminate this Agreement. In case of termination pursuant to this section 7.1.2, ISK's only obligation will be to refund Licensee a pro rata refund of license fees that Licensee paid for the then-current term (and for Instance Perpetual Licenses, the pro rata refund based on an assumed useful life of 5-years).
- 7.1.3 Notwithstanding anything to the contrary in Section 7.1.1 above, with respect to a Claim related to a version of the Software prior to the most recent Upgrade version, ISK has no obligation under this Section 7 to the extent the Claim would not have arisen if Licensee had used such Upgrade version or an Update thereto.
- 7.1.4 THIS SECTION 7 CONSTITUTES ISK'S SOLE AND EXCLUSIVE LIABILITY, AND LICENSEE'S SOLE AND EXCLUSIVE REMEDY, FOR ANY BREACH OF SECTION 6.1.2 AND FOR ANY ACTUAL OR ALLEGED INTELLECTUAL PROPERTY INFRINGEMENT OR MISAPPROPRIATION.

8.2 **TERMINATION FOR CAUSE.** In addition to its other rights and remedies, either party may terminate this Agreement, and ISK may terminate one or more of the licenses granted hereunder, for cause by written notice to the other party if such other party is subject to voluntary or involuntary bankruptcy or breaches any provision of this Agreement and such breach is incurable or, if curable, if such other party does not cure the breach within 30 days after written notice thereof.

8.3 **EFFECTS OF EXPIRATION OR TERMINATION OF LICENSE TERM.** Upon expiration or termination of this Agreement or a license granted hereunder, Licensee must immediately destroy all copies, partial or complete, and wherever stored or available, of the Licensed Software and other tangible or intangible data relating to the Licensed Software (except to the extent that ISK has terminated some by not all of the licenses granted hereunder). As an exception to the foregoing, any Standard OEM Products that have already been provided to end users will remain unaffected by this section 7.3.

- 9.3 **REQUIRED DISCLOSURES.** Notwithstanding the foregoing, each Party may disclose Confidential Information to the limited extent required in order to comply with the order of a court or other governmental body, or as otherwise necessary to comply with applicable law, provided that the Party making the disclosure pursuant to the order shall first have given written notice to the other Party and made a reasonable effort to obtain a protective order.
- 9.4 **RETURN OR DESTRUCTION.** On the expiration or termination of the Agreement, the receiving Party shall promptly return to the disclosing Party all copies, whether in written, electronic, or other form or media, of the disclosing Party's Confidential Information, or destroy all such copies and certify in writing to the disclosing Party that such Confidential Information has been destroyed, except for copies that are maintained as archive copies on the receiving Party's disaster recovery and/or information technology backup systems. The receiving Party shall destroy any such copies upon the normal expiration of its backup files
- 9.5 **CONFIDENTIALITY PERIOD.** Each Party's obligations of non-disclosure with regard to Confidential Information are effective as of the Effective Date and will expire five years from the date first disclosed to the receiving Party; provided, however, with respect to any Confidential Information that constitutes a trade secret (as determined under applicable law), such obligations of non-disclosure will survive the termination or expiration of this Agreement for as long as such Confidential Information remains subject to trade secret protection under applicable law.

Licensee at least 10 business days prior notice of any such audit and will conduct same during normal business hours in a manner that does not unreasonably interfere with Licensee's normal operations.
