# our future ..

## ☰ Invest in opportunities for new/disruptive technology

- Structure Recognition
- Artificial Intelligence
- OCR
- Blockchain
- ..

# The photobooth

# why?

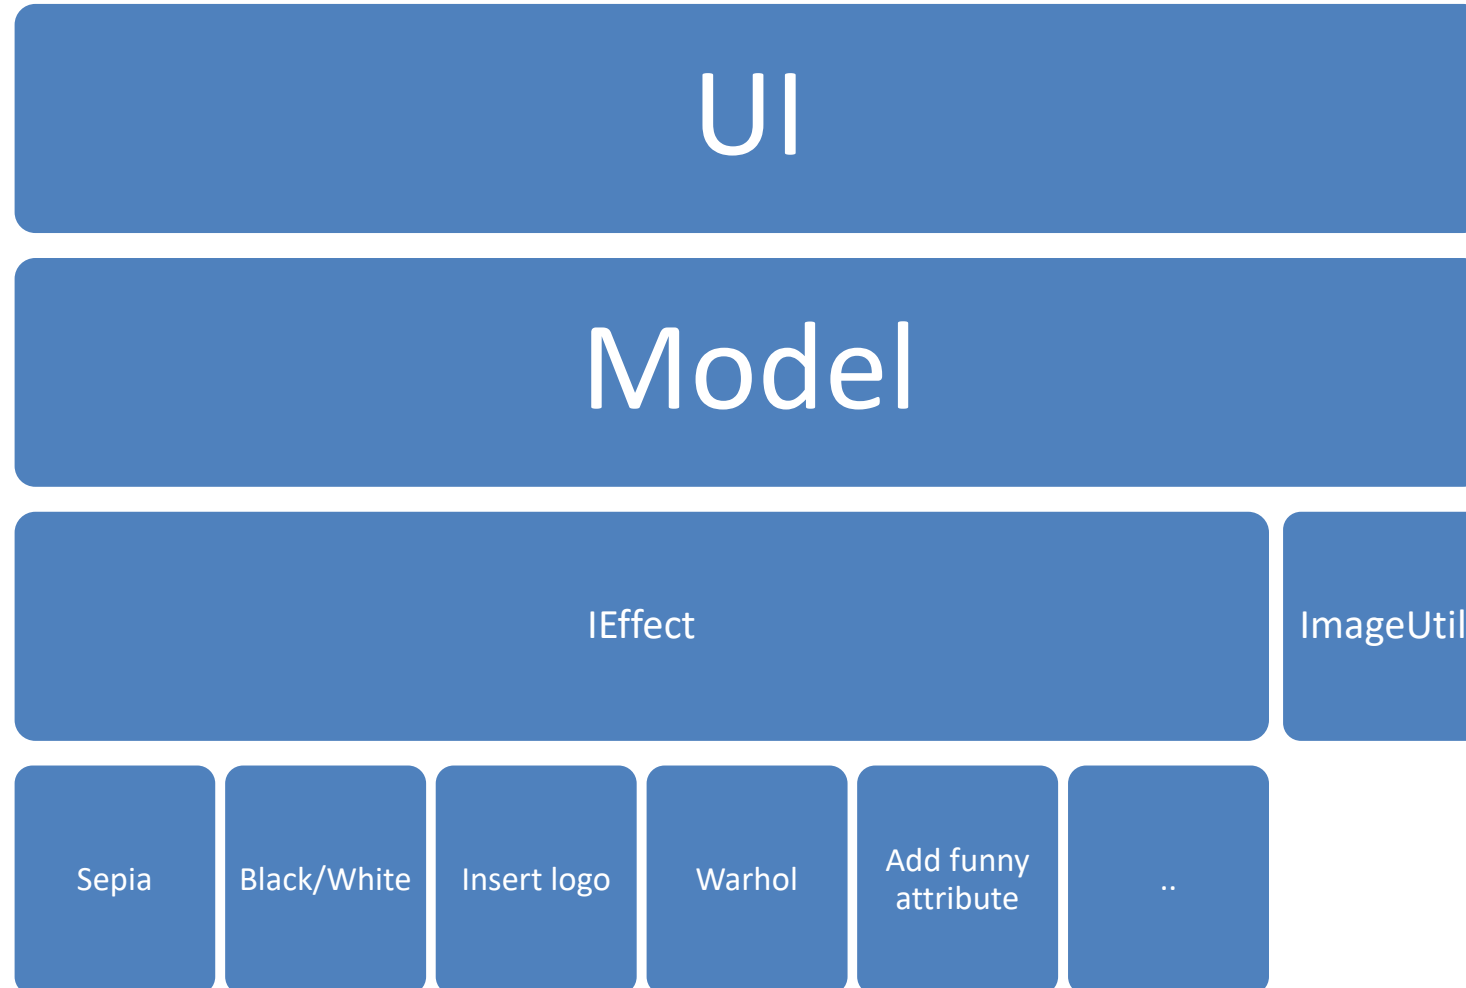

- ≡ Popular concept
- ≡ Souvenir for the visitors
- ≡ Social media activity
- ≡ Connected to competitions/prizes

# why? (ctd)

- ≡ Our commercial photo booth got stuck in customs once
- ≡ Expensive
- ≡ Fun to play with new (to me) technology

# basic concept

# Code

- ≡ Code can be found at <https://github.com/itext/devoxx-2017>
- ≡ *USB drives are also available in case of poor internet connection*

# Extensions

- ≡ Change the logo
- ≡ Add custom effects
- ≡ Implement social media links
- ≡ Add a QR code to engage users
- ≡ ..

# ≡ questions?
